The Best in Anesthesia CME for Over 40 Years

Over forty years and thousands of attendees later, Jenny Smith continues the legacy of her parents Dr. Wm. O.T. and Bonnie Smith to make Holiday Seminars the best in anesthesia continuing education. With the help of Dr. Lawrence Tsen, a leader in anesthesia education, we go to great lengths to select highly qualified dynamic speakers who present practical information designed to improve your anesthesia practice.

The Smiths, alongside family members Kathy Ross, Kit Clements, and Marty Swanson, are dedicated to ensuring even the smallest conference details are deftly handled to fully enhance your Holiday Seminars experience. Beyond providing the best anesthesia CME experience, the team believes in sharing their family values with you, such as creating lasting memories through travel, carving out time in busy schedules to include incredible experiences that enrich life and help battle burnout, and making new friends along the way. We go to great lengths to offer a meaningful and top-notch experience, with a personal touch. Register now for your chance to learn from the best in some of the most relaxing and rejuvenating locations.

Features For All Seminars:

'ENJOY EARLY BIRD BONUSES

Each seminar offers an early bird bonus for your benefit. Whether it is \$100 applied to any resort activity, or \$125 in ski shop certificates, you should definitely take advantage of these offers and book early!

'ALUMNI BONUSES

Take advantage of our Accumulating Bonuses for Alumni. Combine your seminar attendance status from multiple meetings to use at ANY Holiday Seminars location. So if you have attended 3 or more Holiday Seminars, you qualify for our Alumni Bonus.

If you have attended 10 or more Holiday Seminars, you and a guest are also invited to a special Alumni Dinner to show our appreciation. Thanks for continuing to choose Holiday Seminars!

SEMINAR OBJECTIVES

To review related physiology, pharmacology, agents and techniques that contribute to the art and science of anesthesiology. To discuss new agents, techniques and controversies in the field, assisting the participant in preparing better anesthesia care plans for their patients. **Specific objectives for each seminar and lecture are listed on the schedule page of our website.**

ACCREDITATION

Holiday Seminars is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. As an accredited organization for continuing medical education, Holiday Seminars designates the:

Aspen Anesthesia Seminar as meeting the criteria for 22 hours of *AMA PRA Category 1 Credit™* for physicians; this program has been prior approved by the American Association of Nurse Anesthesiology for 22 Class A CE Credits; Code Number TBA; Expiration Date 2/7/2025, and the:

RESPONSIBILITY

These study seminars outlined herein will be carried out under the business management of Holiday Seminars, Inc. Holiday Seminars and its agents hold itself free from responsibility with hotel accommodations, tours, motorcoach, car, and any other means of transportation, damages, strikes, loss, injury, accidents, a pandemic, sickness, death, acts of terrorism, travel risks, change of schedule, and/or inconvenience to passengers and belongings. See our website for Attendee/Traveler Responsibilities.

CANCELLATION POLICY

For cancellations more than 60 days prior to the first event of the seminar, the cancellation fee is \$100 (to cover credit card fees and administrative costs). For cancellations 30–60 days prior to the first event, the cancellation fee is \$200. There are no refunds for cancellations less than 30 days prior to the first event, however, the tuition can be applied to a future seminar through the next year. If the seminar can't take place as originally planned due to the pandemic, you will still be able to access the lectures in video format and earn the credits, or the tuition can be applied to a future seminar through the next year. Lodging refunds vary according to individual properties.

Offering the Ultimate Flexibility for Our Seminars

We offer the ultimate flexibility at our seminars so that you can choose to be in the meeting room or watch the livestream of the lectures from your device in your own room or condo, with videos to catch up afterwards as well. If you are unable to travel on-site, a livestream-only registration option is available for remote participation.
